

Matrix GEM Wheelchair Cushion Case: Stage 3 Decubitus Ulcers

The PostureWorks *Matrix GEM* medium profile wheelchair cushion* was used in the care plans of ten (10) residents with existing stage 3 decubitus ulcers at a 550 bed long term care facility in Rockville, MD. Treatments were overseen by Gregory A. Compton, MD, Director of Wound Care. The wounds of all ten (10) residents closed and the time spent out of bed increased or remained the same for all subjects.

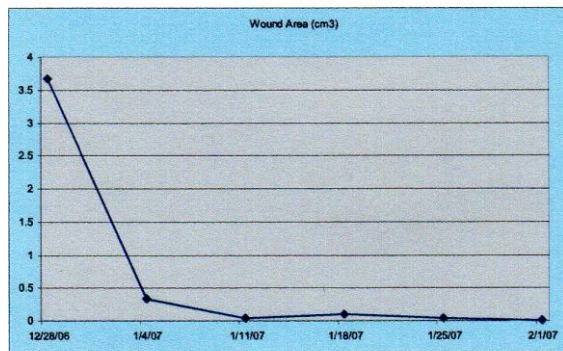

*The Matrix GEM medium profile wheelchair cushion is a dry-polymer gel manufactured by EdiZONE of Alpine, UT.
